WHAT is SEARCH?

The Search for Christian Maturity (simply referred to as Search) is a retreat program offered by the Diocese of Charleston that enables high school students to explore in a deeper way their own faith. This is accomplished by having the searchers come to know themselves in a more personal and spiritual manner and to know God in a more loving and personal way.

Search is different from most high school retreats because it is not only for high school students, but led by high school students. This leadership is a form of Peer Ministry. Peers have tremendous impact on each other and we want to foster that in a loving Christian environment.

The Search weekend is an experience in Christian living. It is designed to help individuals see their value as members of the Christian community. Search strives to give the students the desire to see and bring Christ into their own lives and encourages them to share Christ with others.

WHO is SEARCH for?

High School Sophomores,
Juniors, and Seniors who
want to explore their faith.

People participate in the
Search program for various
reasons. Some have a
strong faith, while others
are still questioning God's
existence. Search is an
opportunity to explore
your own faith journey.
