“The basic Congress is simple and straightforward much like the task of filling the water jars. It consists of praying the Rosary every hour for a week in front of Jesus in the Eucharist. These Rosaries before the Blessed Sacrament will begin to fill the empty vessels of the hearts of those who hear His call and answer it.” Fr. Francis, Spiritual Director of the Diocesan Rosary Congresses.

### Why participate:

- For Life (October is Respect Life Month)
- For Reparation (our personal sins, the sins in the church and the world)
- For Peace (in the womb, in the family, and the world)
