

EVANGELIZATION, CATECHESIS, & THE PROPOSAL OF DISCIPLESHIP

One of today's most influential Catholic authors famously wrote: "The majority of Catholics today are sacramentalized but not evangelized."

How can catechists contribute to the solution to this challenging reality? A return to the essence of the Gospel is needed, where the sacraments are aligned with an ever-present call to follow Jesus wherever He leads.

But where is it that He leads? John 15:5 gives us a compelling answer and forms the heart of the message that can win many hearts in our catechesis today.
