OFFICE OF SPIRITUALITY AND FORMATION FOR MINISTRY

February 28, 2020

Dear Pastors,

I would like to express my gratitude for your support of the Healing Our Church program, most especially those who hosted the information and training sessions. Thank you also for encouraging your parishioners to attend the sessions.

We had 26 parishes sign up for the program. Most began their small faith sharing groups this week, with a few making plans to begin the program in the spring.

I pray that the healing process for the faithful in the pews has begun and that the Spirit will continue to offer healing in this time of dire challenge for the Church. I ask that you and your parishioners continue to pray for those who have entered the process.

Yours in Christ,

Sr. Kathy Adamski, OSF
Associate Director
