

NOW FORMING A NEW COHORT FOR DIOCESE OF CHARLESTON ***Formation in Ignatian Spirituality and Spiritual Direction***

Certificate of Spiritual Direction program is designed to prepare guides to help others deepen their relationship with the divine. The CSD provides rich, meaningful preparation for those who seek a fuller experience of God's love. The coursework and interactive group dynamics help students to grow in their own personal spirituality and to learn basic skills for contemplative listening and discernment. Hybrid classes combine face to face instruction with online work.

Spring Hill College, founded in 1830, is the oldest Catholic college in the Southeast. Our first CSD cohort in the Diocese of Charleston was formed in Fall 2018. The second cohort would begin in Fall 2020. For more information, visit the website: www.shc.edu/theology
