### Provide monthly BAA Envelopes

Over 75% of parishes in the diocese provide a monthly BAA Envelope with their regular distribution of parish offertory envelopes. Parishes that do this achieve over 90% of BAA Goal annually.

### Send an email to parishioners once per quarter with an update

A sample email, as well as bulletin verbiage, is enclosed.

### Invite a BAA Diocesan Representatives to speak at all masses (when Masses resume at capacity)

Bishop Guglielmone has recruited a team of individuals working in diocesan ministries to visit parishes and share their personal testimonies of service. These individuals all work in ministries that are supported by the appeal and will share with your parish or mission the details of what they do and how it is having a positive effect on the lives of those we serve. These visits and presentations help to make the appeal more personal and allow parishioners to see the people that are carrying out the good works of our diocesan ministries.

### Include the BAA Prayers of the Faithful at Weekend Masses
