Total Certification Hours (all categories)													

*A total of 30 hours across the 11 categories is required for both Intermediate and Advanced levels of Certification. For Intermediate Certification, these must be split between at least 6 of the categories. For Advanced Certification, these must be split between at least 3 of the categories. All hours should be recorded on this form. If additional space is needed, duplicate page 2 and total the hours on this page. The same hours should not be counted twice. If a session counts for more than one category, either pick a category to count all of the hours in or split the hours between categories.
