How do I setup a login?

Never logged into Flocknote before, but you're already part of your church's network? No worries, setting up a login only takes a few seconds.

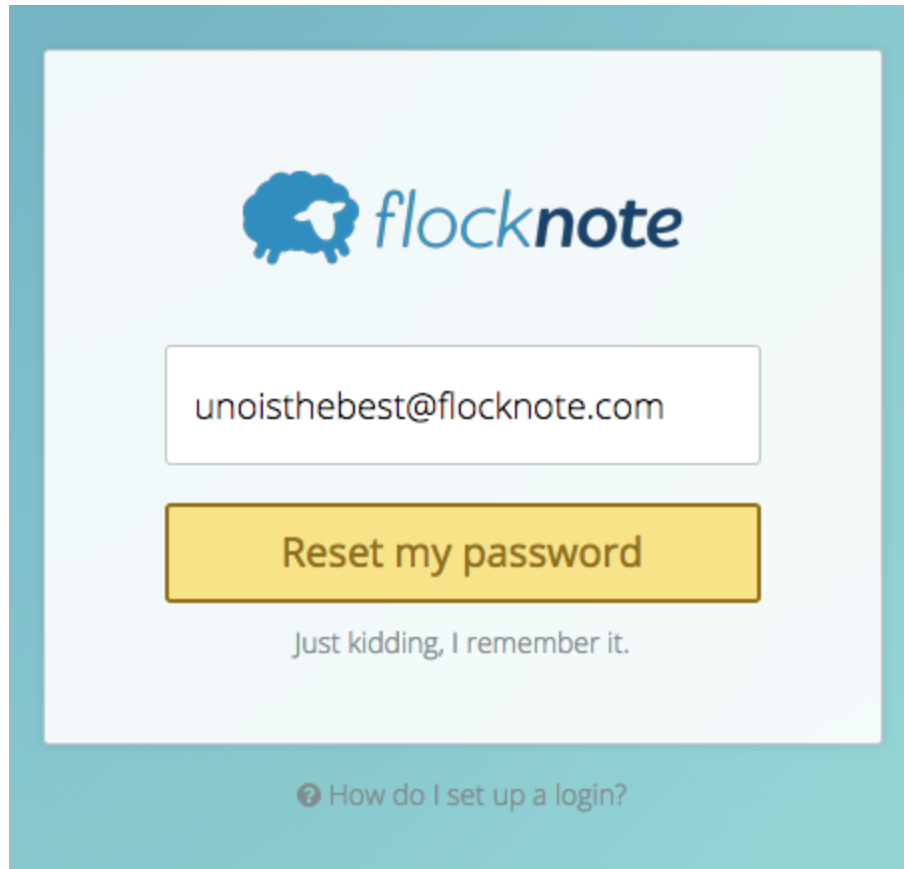

For starters, just head over to <https://app.flocknote.com/SCCatholicCursillo>

The image shows a screenshot of the Flocknote login interface. At the top center is the Flocknote logo, which consists of a blue sheep icon and the word "flocknote" in a blue, lowercase, sans-serif font. Below the logo are two input fields: the top one is labeled "Email or Phone Number" and the bottom one is labeled "Password". Below these fields is a large, solid blue button with the text "Sign In" in white. Underneath the button is the text "Reset or create a password." in a smaller, grey font. At the bottom of the form area, there is a small circular icon with a question mark followed by the text "How do I set up a login?". The entire form is set against a light blue background and is framed by a darker teal border.

Enter your email address (or phone number, if that's all you've registered with), then click **Reset or create a password** below the big blue **Sign In** button.

After that, click the yellow **Reset my password** button that comes up, and follow the prompts from there. We'll send you a link to create your password, and you'll be off to the races from there!
