

2022 Bishop's Annual Appeal

The 2022 Bishop's Annual Appeal (BAA) is underway with 5,695 families generously committing \$1,451,897 in the first month. The overall goal for this year's BAA has been increased to \$5,000,000 to better meet the needs of our programs and ministries, many of whom continue their recovery from the harsh impacts of the pandemic. Additionally, we pray that each parish achieves at least 25% participation this year, as bringing our parish families together ensures a successful BAA that strengthens our Church for the future. We wish congratulations the three parishes that have already surpassed their goal for 2022:

- St. Joseph Mission, Darlington
- Our Lady of Peace Mission, Bonneau
- St. Ann Church, Kingstree
