

2022 Bishop's Annual Appeal

The 2022 Bishop's Annual Appeal (BAA) is underway with 9,141 families generously committing \$2,963,878 in the first two months. The overall goal for this year's BAA has been increased to \$5,000,000 to better meet the needs of our programs and ministries, many of whom continue their recovery from the harsh impacts of the pandemic. Additionally, we pray that each parish achieves at least 25% participation this year, as bringing our parish families together ensures a successful BAA that strengthens our Church for the future. Please contact the Office of Stewardship and Mission Advancement for assistance in helping your parish surpass its goal.
