

The 2023 Catholic Appeal of South Carolina is well under way! We are excited for the start of the Appeal. With the contributions that will be made we will be able to make a difference across the entire state of South Carolina. The Catholic Appeal of South Carolina is an important source of funding for the 94 parishes, 21 missions, 32 Catholic schools, and multiple programs and ministries in the Diocese of Charleston. Through our website, we have numerous resources for you and your parish; you can find everything from our CASC brochure to our CASC newsletters. If you are in need of any these resources please go to our [Parish Resources Page](#) for more information.
