

Romans 13:11

"And do this, understanding the present time: The hour has already come for you to **wake up from your slumber**, because our salvation is nearer now than when we first believed."

AWAKE

Young Men's Retreat

FEBRUARY 2-4, 2024
Camp Kinard | Batesville, SC

The 'Why'

We've been comfortable for far too long. Call it apathy, laziness, or just a lack of motivation - enough is enough.

Paul didn't have the same 'comforts' we do when he wrote to the Romans charging them to wake up. **We can no longer put off the duty we have to live as disciples of Jesus.** There's no reason for us to wait.

It's our turn. Even now Paul reminds us to awaken and not only participate in our own salvation but bring others with us on our journey to heaven.

This world needs apostles now more than ever and we can answer the call. Join us for a weekend of reflection, preparation, inspiration, and deployment as young men ready to be sent to bring Good News to our world.
