

# FertilityCare Services Limited Education Programs

## FertilityCare Practitioner Education Program:

**Simpsonville, South Carolina**  
- Application Deadline: March 1st

Education Phase I - April 5 - 12, 2025  
Education Phase II - October 10-15, 2025

**PROGRAM PURPOSE** is to prepare those who wish to provide Creighton Model FertilityCare System with the training necessary to deliver the highest quality of services as a FertilityCare Practitioner.

**THE PROGRAM** is a 13-month course of study incorporating two classroom instruction phases and supervised teaching experience. You will learn how to:

- \* Assist couples to achieve or avoid pregnancy through the use of the Creighton Model FertilityCare System and assist Medical Consultants who practice NaProTechnology.
- \* Assist in monitoring gynecologic and reproductive conditions while being consistent with the teachings of the Catholic Church.
- \* Empower single women to monitor and appreciate the gift of their fertility.

**PROGRAM ACCREDITATION** comes from the American Academy of FertilityCare Professionals and the program adheres to the Academy's Code of Ethics.

**APPLICANTS** should contact the Program Director listed below for application and program materials.
