

## Cindy Kelly, CSD

Cindy Kelly received a Graduate level Certificate of Spiritual Direction in 2022 and completed the Directed Retreat Formation Program in 2025. Both certificates are from Spring Hill College. Her endeavor toward becoming a spiritual director was inspired through the Spiritual Exercises of St. Ignatius; completing the 19<sup>th</sup> Annotation in 2018. Cindy currently serves at St. Philip Neri Catholic Church in Fort Mill. She meets in person with those who are local, and, virtually with the homebound or those outside the area.

Cindy is married to her husband of 30 plus years, Timothy Kelly, MD. Together, they have five children and seven grandchildren. Prior to moving to Fort Mill over 18 years ago, she served as the director of stewardship at her former parish in Indiana. Committed to non-profit ventures, she co-founded Mardi de Montfort, a Catholic School fundraiser in the Lafayette Diocese of Indiana, celebrating over 25 years of success. More recently, she founded The Taste of Fort Mill currently supporting the ASC Greenway.

Cindy's relationship with our Lord was initiated by her Catholic upbringing and continues to deepen through the sacraments and the people God places in her life. Helping others experience God's passionate love for them and His presence in their life through spiritual direction, is both an honor and blessing.
