

VIA FIDELIS:
THE FAITHFUL WAY

Heavenly Father,

As we journey along the *faithful way*, may we be so full of your love and joy that we draw others to you. Walk with us now and strengthen us to support one another in prayer and humble service.

Let us keep our eyes ever fixed upon you so that we might joyfully proclaim your message of hope.

We ask this in the mighty name of your Son, *Jesus Christ*, our Lord, and through the power of your Holy Spirit.

Amen.
